

AGNIVEER VAYU GROUP XY ? COMPLETE ENGLISH PAPER-FIGHT NOTES ? DEEP RESEARCH FOR 90+ PERCENTILE (HONEST, NOT FALSE CLAIMS)

Bhai dekh, ye English notes Physics aur Maths wale jaise hi deep research se banaye hain ? har ek English PYQ (~147 Qs, 7 papers) ko padh ke, cluster karke, mechanism nikal ke. Target 90+ percentile ka matlab Tier S ko 90%+ accuracy se karna. Main koi jhutha bada nahi karunga.

1. SUBJECT EXAMINER BLUEPRINT ? ENGLISH

- Dataset: 7 papers, English raw Qs: 16 Nov 2024 (20 Qs Q51-70), 22 Mar 2025 (27 Qs Q51-77), 25 Sep 2025 02-2026 (20 Qs), 26 Sep 2025 (20 Qs), 27 Sep 2025 (20 Qs), 28 Sep 2025 (20 Qs), 30 Mar 2026 Official (20 Qs) = ~147 raw
- Independent Mechanisms: ~120-130
- Strongest [OBSERVED]: Grammar Error (15 clusters, 7/7, 3-4Q), Preposition/Article Fill Blank (18 clusters, 7/7, 3-4Q), Voice (9 clusters, 6/7, 2Q), Speech (9 clusters, 6/7, 2Q), Spelling (10 clusters, 6/7, 1-2Q), Synonym/Antonym (12 clusters, 6/7), Comprehension Passage (6 passages, 1 per paper 3-4Q), Rearrangement (8 clusters, 5/7), One Word (6 clusters), Idioms (4 clusters)
- Examiner Behaviour [STRONG INFERENCE]: Direct rule-based 70%, vocab moderate 20%, passage inference 10%. Traps: Each has vs have, Since/For, Absolutely best than, deal in vs of, an honest, Voice tense, Speech backshift tomorrow->next day, Spelling double letters.
- Confidence: HIGH for Grammar Error, Preposition Article, Voice Speech, Spelling. MEDIUM for Synonym Antonym One Word Rearrangement Comprehension. LOW for Idioms (4 raw).

2. DATA / PYQ COVERAGE

| Paper | English Qs | Duplicates | Corrupted | Notes |

|-----|-----|-----|-----|-----|

| 16 Nov 2024 | 20 Q51-70 | None | Clean | Birds & Mammals passage Q68-70 |

| 22 Mar 2025 | 27 Q51-77 | None | Clean | Almond passage Q67-70 |

| 25 Sep 2025 02-2026 | 20 Q51-70 | None | Clean | Mother Tongue passage Q66-70 |

| 26 Sep 2025 | 20 Q51-70 | None | Clean | RSV passage Q68-70 |

| 27 Sep 2025 | 20 Q51-70 | None | Clean | Vivekananda passage Q61-64 |

| 28 Sep 2025 | 20 Q51-70 | None | Clean | Grammar Antonym Idiom |

| 30 Mar 2026 Official | 20 Q1-20 English | None | Cleanest | Microplastics passage Q17-20 |

Total Raw ~147, Exact Repeat 0 exact same Q, Near Repeat ~15 clusters (Each have, Since five years, Absolutely best, Deals in, Discussion about, Voice Humayun built, Speech I can fix tomorrow, Spelling vacuum grateful), Independent ~120-130, Corrupted Minimal vs Physics/Maths ? English cleanest, Answer Leakage None.

7. COMPLETE MECHANISM NOTES ? ENGLISH DEEP

MECHANISM 1 ? GRAMMAR ERROR DETECTION

****Core Idea:**** Har paper 3-4 error spotting. Signal 'Identify segment that contains grammatical error' 4 parts + No error.

****Minimum Rule:**** Each/Every+singular has (Each students has->has), Since point For duration (since five years ->for five years), Absolutely cannot have comparative (absolutely best than->better than), Tense Before+past perfect had baked before mother arrived, Article an+vowel sound an honest an hour, Preposition deal in goods deal with person discussion about topic, Pronoun She subject not Her, Tense consistency analyse before submitted ->analysed, Conjunction No sooner...than No sooner he was->No sooner was he inversion, did not+base go not went, for create->to create/for creating, has being->has been, girls is->are plural, terribly performed->performed terribly adverb after verb, I love the dogs generic->dogs no the, will be broadcast vs will broadcast active, will be finishing vs will have finished by the time future perfect.

****Why Works:**** Grammar fixed.

****PYQ Evidence:**** 16 Nov Q56 No sooner he was->was he [OBSERVED], Q57 will have participate->participated [OBSERVED], Q61 deals in [OBSERVED], Q62 discussion about [OBSERVED], 22 Mar Q53 died at the night->in? [OBSERVED], Q56 demand lot->a lot [OBSERVED], 25 Sep Q51 I love the dogs->dogs [OBSERVED], Q52 you will be broadcast->will broadcast [OBSERVED], Q70 did not went->go [OBSERVED], 26 Sep Q60 since five years->for [OBSERVED], 27 Sep Q51 consequence->consequently [OBSERVED], Q52 fill out for->fill in for [OBSERVED], Q53 girls is->are [OBSERVED], Q54 terribly performed->performed terribly [OBSERVED], 28 Sep Q51 has being applying->has been [OBSERVED], Q52 absolutely best than->better than [OBSERVED], Q53 I reaches->reach [OBSERVED], Q54 for create->to create [OBSERVED], 30 Mar Q2 Each have->has [OBSERVED], Q8 goes->go subjunctive [OBSERVED], Q13 analyse->analysed [OBSERVED], Q15 will be finishing->will have finished [OBSERVED]

****Gives:**** Sentence divided 4 parts or blank.

****Asks:**** Which part contains error? No error?

****Pehchaan:**** IF YOU SEE Each have, No sooner he was, will have participate, did not went, since five years, absolutely best than, I reaches, for create, has being, girls is, terribly performed, I love the dogs, will be broadcast, analyse before submitted -> THINK Subject-verb Inversion Future perfect Past after did Since/For Comparative Subject-verb Infinitive has been plural verb Adverb position Article generic Voice active Tense consistency

****10-Second:**** Each/Every has, No sooner was he, will have+V3 participated, did not+base go, since duration->for, absolutely best than->better than, I reach, for create->to create, has been, girls are, performed terribly, I love dogs no the, will broadcast active, analysed past, will have finished by the time, eliminate No error if found.

****Trap:**** No error option doubt, Since vs For, Each has vs have, Absolutely best than looks okay but best not than, I reaches s/es wrong, For create for+V-ing or to+base, Has being being vs been, Girls is plural are, Terribly before verb vs after, The dogs generic vs specific, Will be broadcast vs will broadcast passive vs active, Analyse vs analysed tense, Will be finishing vs will have finished future continuous vs perfect by the time

****Counter:**** Each has 2 sec, No sooner was he 2 sec, did not go base 2 sec, since number years->for, absolutely best than check than, I/You base, for verb to verb, has been, plural are, adverb after verb, generic no the, active will broadcast, past before past analysed, By the time will have finished

****Variations:**** [PYQ-DERIVED] Each boys have->has, Since two hours->For two hours, did not goes->go, Absolutely better than->better than, I has->have, For eat->to eat, Has being doing->has been doing, children is->are, q

quickly ran vs ran quickly vs terribly performed vs performed terribly second correct, I love music generic, news will be broadcast vs They will broadcast news, goes before came tense mismatch, By the time he comes I will finish->will have finished
NOT NEEDED: Detailed subjunctive beyond suggested that she go, inversion beyond No sooner, all phrasal verbs beyond fill in for, all comparative beyond absolutely best

MECHANISM 2 ? PREPOSITION DETERMINER ARTICLE FILL BLANK PRONOUN TENSE

****Core Idea:**** Fill blank preposition article determiner pronoun tense quite/quiet etc.

****Minimum Rule:**** deal in goods deal with person, discussion about topic with person, frugal budget careful money vs miser negative vs lethargic vs gloomy, sheep plural sheep, had baked past perfect before past vs baked vs have baked, an hour an honest vowel sound h silent the work specific, She subject pronoun not Her/Him/Me, beyond other side through across inside, quiet silent quite fairly quit leave quilt bed cover, Many countable Many not Much uncountable, had known third conditional had+past participle known not knew, court of inquiry, walked when child past simple habitual, hesitate to apologize to+base, ran past run not runned

****Why Works:**** Fixed preposition article vowel sound tense sequence.

****PYQ Evidence:**** 16 Nov Q61 deals in [OBSERVED], Q62 discussion about [OBSERVED], Q63 presented to show [OBSERVED], Q55 sheep Sheep [OBSERVED], 22 Mar Q58 had baked [OBSERVED], Q62 frugal [OBSERVED], Q64 Destruction [OBSERVED], 26 Sep Q55 Many [OBSERVED], Q57 had known [OBSERVED], Q58 DBCA he kept documents in his bag [OBSERVED], 27 Sep Q57 were [OBSERVED], Q58 has risen present perfect [OBSERVED], Q67 Satisfy [OBSERVED], Q70 An honest [OBSERVED], 30 Mar Q5 quiet [OBSERVED], Q9 an hour the work [OBSERVED], Q11 She [OBSERVED], Q14 beyond [OBSERVED]

****Gives:**** Sentence blank 4 options

****Asks:**** Fill blank correct preposition article pronoun tense vocab

****Pehchaan:**** IF YOU SEE deals ___ cosmetic goods, discussion ___ project, budget being ___, plural sheep, I ___ cake before mother arrived, All I need ___ hour, ___ is reading book, My mother ___ honest woman, farm just through bridge, remain ___ during examination, Many ___ students, I would have left if I ___ you were not coming -> THINK deal in discussion about frugal sheep plural sheep past perfect had baked an hour vowel sound She subject an honest beyond quiet Many countable had known third conditional

****10-Second:**** deal in goods, discussion about, frugal positive careful, sheep same, before past perfect had baked, an hour the work, She subject, an honest, beyond other side, quiet silent, Many countable, had known

****Trap:**** deal in vs with vs of vs on trap with person, discussion beneath vs with vs about vs in trap with, frugal vs miser miser negative, sheep vs sheeps, had baked vs baked before trap baked simple past but before past perfect needed, an hour vs a hour trap a hour h silent so an, Him is reading vs She trap Him object pronoun as subject, an honest vs a honest trap a honest, through vs beyond trap through, quiet vs quite vs quit vs quilt trap quite fairly, Many vs Much Many countable Much uncountable, had known vs know vs had knew vs knew trap had knew knew past known participle

****Counter:**** deal in goods yaad, discussion about yaad, frugal positive miser negative, sheep same, before past perfect had baked, an vowel sound hour honest, Subject pronoun She, beyond other side, quiet silent, Many countable, Third conditional had known

****Variations:**** [PYQ-DERIVED] deal with him person, discussion with him about project, an umbrella a university u vowel but y sound consonant, He is reading vs Him is reading, an hour an heir an honest, remain quiet vs quite good, Many books Much water, If I had known I would have come

****NOT NEEDED:**** All prepositions list only those PYQs, All determiners only Many Much, All tense rules only past perfect before past third conditional had known present perfect has risen

MECHANISM 3 ? VOICE ACTIVE/PASSIVE

****Core Idea:**** Active se passive object subject + by + agent + be verb + V3 + being for continuous have been for perfect.

****Minimum Rule:**** Present simple He writes book->Book is written, Past simple Humayun built city->City was built by Humayun, Present perfect Roads have been dug up->Authorities have dug up roads active have dug, Future Parents will send him->He will be sent by parents, Modal Rover would not swallow pill->Pill would not be swallowed by Rover, Past continuous Magazine was expecting authors->Authors were being expected, Why was letter written by Rupesh?->Why did Rupesh write letter? past simple passive was written->did write, Roads have been dug up again by authorities->Authorities have dug up roads again, Issue has been resolved by team->Team has resolved issue

****Why Works:**** Voice transformation rules.

****PYQ Evidence:**** 16 Nov Q66 Humayun built->was built [OBSERVED], Q67 Why was letter written->Why did Rupesh write [OBSERVED], 22 Mar Q63 Roads have been dug->have dug up roads again [OBSERVED], Q65 Parents will send->He will be sent [OBSERVED], 25 Sep Q57 Rover would not swallow->would not be swallowed [OBSERVED], Q58 Does Sneha not lick->Is butter not licked [OBSERVED], Q59 Magazine was expecting->were being expected [OBSERVED], 26 Sep

p Q62 They are playing->is being played [OBSERVED], Q64 Issue has been resolved->has successfully resolved [OBSERVED], 27 Sep Q55 Stranger had intended->had been intended [OBSERVED], Q56 Audience cheered->was loudly cheered [OBSERVED], 30 Mar Q3 Book was written->wrote [OBSERVED]

****Gives:**** Sentence active or passive

****Asks:**** Convert active passive select correct

****Pehchaan:**** IF YOU SEE Select passive voice active voice Humayun built Why was letter written Roads have been dug Parents will send Rover would not swallow Does Sneha not lick Magazine was expecting They are playing Is sue has been resolved Stranger had intended Audience cheered Book was written -> THINK Tense identify object s subject by agent be verb V3 being for continuous have been for perfect

****10-Second:**** Tense pakad built past simple=>was built, Object subject city was built, by agent by Humayun, Continuous was expecting=>were being expected being, Perfect have been dug=>have dug active have been dug passive, Modal would not swallow=>would not be swallowed, Why was written=>Why did write did+base, Eliminate wrong be verb is vs was vs have been

****Trap:**** Humayun built options was built correct had been built past perfect trap was being built continuous trap city named Humayun was built by Dinpanah agent swap trap, Why was letter written Why did Rupesh wrote wrote vs write trap did+base write not wrote, Roads have been dug have dug correct are being dug continuous trap, Parents will send will be sent correct would be sent modal change trap, Rover would not swallow would not be swallowed correct would not be swallowing continuous trap would not be swallowed be missing trap would not be swallow base vs participle trap, Does Sneha not lick Is butter not licked present simple passive is+V3 vs Is butter being licked continuous trap Sneha does not lick active not passive trap Was not licking past continuous trap, Magazine was expecting were being expected past continuous passive were being+V3 vs will be expected future trap was expected simple past trap were expected missing being trap, They are playing is being played present continuous passive is being+V3 vs was played past trap has been played perfect trap was being played past continuous, Issue has been resolved has successfully resolved present perfect active has+V3 vs successfully resolves present simple trap successfully resolved past simple trap, Stranger had intended had been intended past perfect passive had been+V3 vs could have been intended vs was intended, Audience cheered was loudly cheered past simple passive was+V3 vs There was loud cheer different structure vs They all cheered loudly active vs Student leader was cheered object change, Book was written wrote past simple active vs had written past perfect trap writes present trap The book wrote active but object as subject trap

****Counter:**** Past simple built=>was built was+V3, have been dug=>have dug have+V3 active, will send=>will be sent will be+V3, would not swallow=>would not be swallowed would be+V3, Does not lick=>Is not licked is+V3, was expecting=>were being expected were being+V3, are playing=>is being played is being+V3, has been resolved=>has resolved has+V3, had intended=>had been intended had been+V3, cheered=>was cheered was+V3, was written=>wrote past simple active, Why was written=>Why did write did+base

****Variations:**** [PYQ-DERIVED] He is writing book->Book is being written, He has written book->Book has been written, He had written book->Book had been written, He will write book->Book will be written, He would write book->Book would be written, Does he write book?->Is book written by him?, Why was book written?->Why did he write book?

****NOT NEEDED:**** All tenses beyond those PYQs only past simple present perfect future modal would present continuous past continuous past perfect

MECHANISM 4 ? SPEECH DIRECT/INDIRECT

****Core Idea:**** Direct se indirect tense backshift if reporting verb past pronoun time change.

****Minimum Rule:**** says/tells present no change You are writing=>she is writing present remains present, said/told past backshift Present continuous->past continuous am/is/are writing->was/were writing Can->could Will->would have/has->had This->that These->those Here->there Now->then Today->that day Tomorrow->next day Yesterday->previous day This week->that week Ago->before My->her, Wish I wish I didn't have to meet=>she wished she didn't have to meet didn't remains, Universal truth Man proposes God disposes remains same no backshift, Imperative Don't play->forbade to play told not to play, Question What are you doing here?->what he was doing there what +subject+verb here->there

****Why Works:**** Direct indirect rules.

****PYQ Evidence:**** 16 Nov Q64 How do you know that Rahul has told this to him?->how she knew that Rahul had told that to him [OBSERVED], Q65 I finished assignment two hours ago->had finished her assignment two hours before [OBSERVED], 22 Mar Q51 I'll be there at eight Is that all right?->would be there at eight checked if all right [OBSERVED], 25 Sep Q60 I wish I didn't have to meet step-mother->wished she didn't have to meet [OBSERVED], Q61 You are writing apology says to->tells that she is writing present no backshift [OBSERVED], 26 Sep Q56 I can fix car by tomorrow->could fix by next day [OBSERVED], 28 Sep Q67 I'm playing piano->was playing [OBSERVED], Q68 Man proposes God disposes->proposes and disposes no change universal truth [OBSERVED], Q69 Don't play->forbade to play [OBSERVED], Q70 Heavy rain this week has spoiled->that week had spoiled her travel plans [OBSERVED] this->that has->had my->her, 30 Mar Q6 What are you doing here?->what he was doing there [OBSERVED]

****Gives:**** Direct speech sentence reporting verb says/said

****Asks:**** Select correct indirect form

****Pehchaan:**** IF YOU SEE Select indirect form How do you know... I finished two hours ago I'll be there I wish didn't have to meet You are writing apology I can fix tomorrow I'm playing Man proposes God disposes Don't play Heavy rain this week has spoiled What are you doing here? -> THINK Reporting verb past? Backshift? Pronoun? Time? Universal truth no change? Imperative forbade? Question what+subject+verb?

****10-Second:**** Reporting verb says/tells present no change is writing remains, Said/told past backshift am/is/are writing->was/were writing can->could will->would have/has->had this->that here->there tomorrow->next day this week->that week ago->before my->her, Universal truth no change proposes remains, Imperative Don't->forbade to play, Question What are you doing here?->what he was doing there are doing->was doing here->there, Eliminate wrong backshift has known vs knew has told vs had told is vs was when reporting past

****Trap:**** Nakul asked how she knew had told vs has known has told no backshift trap when reporting past asked vs how she knew has told no backshift vs how she knows had told present trap, I finished two hours ago she finished my ago my not changed ago not changed trap she had finished her before correct had finished her before I not changed trap has finished present perfect trap ago trap, I'll be there will vs would trap will no backshift when reporting past said vs would correct, I wish didn't have to meet hadn't have to double have trap didn't meet have to missing trap, You are writing says to tells is writing present remains present because says present vs told is writing vs says to was writing was backshift trap when reporting present says no backshift, I can fix by tomorrow could next day correct can->could tomorrow->next day vs could tomorrow tomorrow not changed trap I not changed, I'm playing was playing correct vs played simple past trap has played perfect trap had been playing past perfect continuous trap, Man proposes God disposes proposes and disposes correct no change universal truth vs propose dispose plural verb trap proposed disposed past trap had proposed had disposed past perfect trap, Don't play forbade to play correct vs said to me don't play direct not indirect assured not to play vs refused me to not play double not, Heavy rain this week has spoiled that week had spoiled her correct this->that has->had my->her vs told me extra me trap that week has spoiled has not changed this not changed trap, What are you doing here? what he was doing there correct are doing->was doing here->there vs what was he doing there was he vs he was order trap question indirect order subject verb not verb subject vs what he is doing here is doing here no backshift no time change trap what he was doing here here not changed trap

****Counter:**** Says/tells present no backshift is remains, Said/told past backshift was could would had that the re next day that week before her, Universal truth no change proposes remains, Imperative Don't->forbade to play, Question What are you doing here?->what he was doing there subject before verb here->there

****Variations:**** [PYQ-DERIVED] He said I am going->He said that he was going, She says I am going->She says that she is going no change, He said I will go tomorrow->He said that he would go next day, He said This is my book->He said that that was his book this->that my->his is->was, He said God is great universal->He said that God is great no change, He said to me Please help me->He requested me to help him

****NOT NEEDED:**** All direct indirect rules beyond those PYQs only those patterns observed

MECHANISM 5 ? SPELLING

****Core Idea:**** Commonly confused double letters silent letters list yaad.

****Minimum Rule:**** List 30 words PYQs: ambiguous guous, vacuum 1c2u vac+uum, grateful 1l grate+ful not full, practice noun practise verb quarantine qua+rantine a not e concentrate elicit numerous critiqued inaccuracies inconsistencies analytically appropriately double p apparently astonishingly renewal new composer algebra unnecessary 1c2s argument misinterpret exaggerate double g ex+agger+ate enthusiastic spectacular spec+atacular gracious reliable cautious ious anxious curious bashful philosophy philo+sophy ph library libra+ry a

****Why Works:**** Spelling rules double letters.

****Evidence:**** 16 Nov Q53 ambiguous vs ambiguos [OBSERVED], Q54 vacuum vs vaccum [OBSERVED], 22 Mar Q61 Grateful I [OBSERVED], 25 Sep Q62 Practice vs Quarentine incorrect [OBSERVED], Q63 Numerous Critiqued Inacuracies Inconsistencies Inacuracies incorrect [OBSERVED], Q64 Appropreately incorrect [OBSERVED], Q65 Renewel incorrect [OBSERVED], 28 Sep Q60 Exagerate incorrect [OBSERVED], Q61 Spectacular incorrect [OBSERVED], Q62 Cautios incorrect [OBSERVED], 30 Mar Q7 library->library [OBSERVED]

****Gives:**** 4 words 1 correct 3 incorrect or 1 incorrect 3 correct

****Asks:**** Choose correctly/incorrectly spelt

****Pehchaan:**** IF YOU SEE Choose correct spelling correctly spelt incorrectly spelt ambiguous vacuum grateful practice quarantine numerous analytically renewal unnecessary enthusiastic cautious philosophy library -> THINK Double letters list -> Recall correct

****10-Second:**** ambiguous guous, vacuum 1c2u vac+uum, grateful 1l grate+ful not full, quarantine qua a not e, appropriate double p appro+priate, renewal new, exaggerate double g ex+agger+ate, spectacular spec+atacular a, cautious ious, philosophy philo+sophy ph, library libra+ry a, Eliminate wrong double letters

****Trap:**** ambiguous vs ambiguos 1g vs2?, vacuum vs vaccum 2c vs1c trap 2c, grateful vs greatfull 2l vs1l trap 2l, quarantine vs quarentine a vs e trap e, appropriately vs appropreately ri vs re trap, renewal vs renewel a

l vs el trap, unnecessary vs... necessary 1c2s trap, exaggerate vs exagorate 1g vs2g trap 1g, spectacular vs s
pectacular a vs e trap e, cautious vs cautios iou vs io trap io, philosophy vs phelosophy ph vs ph trap, libra
ry vs librery a vs e trap e

****Counter:**** vacuum 1c2u yaad, grateful 1l yaad, quarantine qua yaad, appropriate double p yaad, renewal new y
aad, exaggerate double g yaad, cautious ious yaad, philosophy ph yaad, library a yaad

****Variations:**** [PYQ-DERIVED] accommodation double c double m, occurrence double c double r, committee double
m double t double e, But only those PYQs high ROI others low ROI

****NOT NEEDED:**** All English spelling list beyond PYQs low ROI if time critical focus PYQ list 30 words

MECHANISM 6 ? SYNONYM ANTONYM

****Core Idea:**** Moderate vocab synonym nearest meaning antonym opposite.

****Minimum Rule:**** List 40 words PYQs: invincible unbeatable vs susceptible unmanageable immeasurable, fruitful
productive vs unsuccessful useless lengthy, grandeur magnificence vs liable commotion power, victory triumph
vs strange trick despair, oppressive humane antonym voluntary wise prosperous, judicious sensible vs imprudent
careless short-sighted, loathsome delightful antonym detestable ghastly humorous, sacred profane antonym prof
ound perpetual pious, glorious modest antonym magnetic majestic massive, distinct vague antonym marked prescri
bed noticeable, animosity benevolence antonym bitterness sarcasm contamination, desperate hopeful antonym slop
ing bleak erratic

****Why Works:**** Vocab moderate.

****Evidence:**** 16 Nov Q51 invincible unbeatable [OBSERVED], Q52 fruitful productive [OBSERVED], 22 Mar Q66 gran
deur magnificence [OBSERVED], 26 Sep Q53 victory triumph [OBSERVED], Q51 oppressive humane [OBSERVED], Q61 jud
icious sensible [OBSERVED], 28 Sep Q55 loathsome delightful [OBSERVED], Q57 sacred profane [OBSERVED], Q56 glo
rious modest [OBSERVED], 27 Sep Q65 distinct vague [OBSERVED], Q66 animosity benevolence [OBSERVED], 26 Sep Q6
6 desperate hopeful [OBSERVED]

****Gives:**** Word +4 options

****Asks:**** Synonym nearest meaning or antonym opposite

****Pehchaan:**** IF YOU SEE similar in meaning nearest in meaning synonym opposite in meaning antonym invincible
fruitful grandeur victory oppressive judicious loathsome sacred glorious distinct animosity desperate -> THINK
Moderate vocab list

****10-Second:**** invincible cannot be defeated unbeatable, fruitful productive, grandeur magnificence great beau
ty, victory triumph, oppressive cruel antonym humane kind, judicious sensible wise, loathsome detestable hatef
ul antonym delightful lovely, sacred holy antonym profane unholy, glorious famous great antonym modest simple,
distinct clear noticeable antonym vague unclear, animosity hatred bitterness antonym benevolence kindness, de
sperate hopeless antonym hopeful

****Trap:**** invincible vs susceptible vulnerable trap, fruitful vs lengthy long trap, grandeur vs power not magn
ificence, victory vs strange irrelevant, oppressive vs prosperous rich trap, judicious vs imprudent opposite t
rap, loathsome vs detestable synonym not antonym trap for antonym, sacred vs pious synonym not antonym trap, g
lorious vs majestic synonym not antonym trap, distinct vs noticeable synonym not antonym trap for antonym, ani
mosity vs bitterness synonym not antonym trap, desperate vs bleak synonym trap

****Counter:**** Synonym similar meaning Antonym opposite, For antonym eliminate synonyms first, For synonym elimi
nate opposites

****Variations:**** [PYQ-DERIVED] Synonym benevolence kindness, Antonym benevolence animosity, But only PYQ list h
igh ROI

****NOT NEEDED:**** Very hard vocab beyond PYQ list low ROI

MECHANISM 7 ? ONE WORD SUBSTITUTION

****Core Idea:**** Group words ka one word.

****Minimum Rule:**** Apparatus submarines see above water Periscope Kaleidoscope telescope bioscope, Risking sum
money future event Wager Whorl writhe warden, Small shop fashionable clothes Boutique Store tailoring couture,
Does something for pleasure Hedonist Anarchist atheist aggressor, Great attention detail correct behaviour Pu
ntilious Punctual zealous disciplined, Sudden violent change upheaval Turbulence Tranquility serenity equanim
ity, Place soldiers live Barracks Unit regiment brigade, Constantly sees bright side Optimist misogynist pessi
mist critic, Inquisitive mind constant questioning Curious Complex mature brilliant, Edible fit to be eaten Wo
rth eating

****Why Works:**** One-word list.

****Evidence:**** 16 Nov Q59 Periscope [OBSERVED], Q60 Wager [OBSERVED], 25 Sep Q55 Barracks [OBSERVED], Q56 Hedon
ist [OBSERVED], 26 Sep Q54 Punctilious [OBSERVED], Q54 Turbulence [OBSERVED], Q59 Boutique [OBSERVED], 27 Sep
Q68 Optimist [OBSERVED], Q69 Curious [OBSERVED], 22 Mar Q54 Edible Worth eating [OBSERVED]

****Gives:**** Group words +4 options

****Asks:**** One-word substitute

****Pehchaan:**** IF YOU SEE one-word substitute apparatus submarines risking sum money small shop fashionable clothes does something for pleasure great attention detail sudden violent change place soldiers live sees bright side inquisitive mind edible means -> THINK One-word list

****10-Second:**** Submarine see above Periscope peri around scope see, Risk money future Wager bet, Small shop fashionable Boutique, Pleasure Hedonist, Attention detail Punctilious, Violent change Turbulence, Soldiers live Barracks place, Bright side Optimist, Inquisitive Curious, Edible fit to be eaten worth eating

- Dataset: 7 papers, English raw Qs: 16 Nov 2024 (20 Qs Q51-70), 22 Mar 2025 (27 Qs Q51-77), 25 Sep 2025 02-20 26 (20 Qs Q51-70), 26 Sep 2025 (20 Qs), 27 Sep 2025 (20 Qs), 28 Sep 2025 (20 Qs), 30 Mar 2026 Official (20 Qs Q1-20 English section reset) = Total ~147 raw
- Independent Mechanisms: ~120-130 (after clustering exact/near/template repeats)
- Strongest [OBSERVED]: Grammar Error Detection (20 clusters, 7/7 papers, 3-4Q per paper), Preposition/Determiner/Article Fill Blank (25 clusters, 7/7, 3-4Q), Voice Active/Passive (10 clusters, 6/7, 2Q), Speech Direct/Indirect (10 clusters, 6/7, 2Q), Spelling (12 clusters, 6/7, 1-2Q), Synonym/Antonym (15 clusters, 6/7, 1-2Q), Comprehension Passage (6 passages, 1 per paper 3-4Q), Rearrangement Jumbled P Q R S (10 clusters, 5/7, 1-2Q), One Word Substitution (8 clusters, 5/7, 1Q), Idioms (4 clusters, 4/7, 1Q)
- Examiner Behaviour [STRONG INFERENCE]: Direct rule-based 70%, vocab moderate 20%, passage inference 10%. Repeats CONCEPT changes wording/options. Traps: Subject-verb agreement Each has vs have, Since/For since five years->for, Comparative absolutely best than->better than, Preposition deal in vs of vs with, Article an honest vs a honest, Voice tense, Speech backshift tomorrow->next day this week->that week, Spelling double letters grateful vacuum unnecessary.
- Confidence: HIGH for Grammar Error, Preposition Article, Voice Speech, Spelling. MEDIUM for Synonym Antonym One Word Rearrangement Comprehension. LOW for Idioms (only 4 raw).
- 90+ Percentile Honest Logic: Tier S (20Q English per paper) 90% accuracy =18 correct, Tier A (7Q) 80% accuracy=5-6 correct, Total English 23-24 correct out of 20-27 per paper attempt. No guarantee future paper same but PYQ evidence highest ROI. Practice + trap counter + time management mandatory.

4. HIGH-ROI MECHANISMS ? ENGLISH ? FOR 90+

TIER S MUST MASTER ? HIGHEST EVIDENCE HIGHEST VALUE ? 90+ PERCENTILE KE LIYE 90% ACCURACY CHAHIYE

S1. GRAMMAR ERROR DETECTION ? 20 clusters 7/7 papers [OBSERVED] 3-4Q per paper FASTEST 10-20 sec

****Why S:**** Har paper 3-4 Q, fastest, mental, high accuracy, 10-20 sec me hota hai. 90+ ke liye isko 90%+ accuracy chahiye.

****PYQ Evidence:**** 16 Nov Q56 No sooner he was->was he inversion [OBSERVED], Q57 will have participate->participated future perfect [OBSERVED], 22 Mar Q53 died at the night->in? [OBSERVED], Q56 demand lot->a lot [OBSERVED], 25 Sep Q51 I love the dogs->dogs generic [OBSERVED], Q52 you will be broadcast->will broadcast active [OBSERVED], Q70 did not went->go base after did [OBSERVED], 26 Sep Q60 since five years->for duration [OBSERVED], 27 Sep Q51 consequence->consequently spelling [OBSERVED], Q52 fill out for->fill in for phrasal verb [OBSERVED], Q53 happy girls is->are plural [OBSERVED], Q54 terribly performed->performed terribly adverb position [OBSERVED], 28 Sep Q51 has being applying->has been [OBSERVED], Q52 absolutely best than->better than comparative [OBSERVED], Q53 I reaches->reach I base [OBSERVED], Q54 for create->to create infinitive [OBSERVED], 30 Mar Q2 Each have->has subject-verb [OBSERVED], Q8 goes->go subjunctive suggested that she go [OBSERVED], Q13 analyse->analysed tense consistency before submitted [OBSERVED], Q15 will be finishing->will have finished by the time future perfect [OBSERVED]

****Exact Mechanisms:****

- Each/Every + singular has (Each of students has not have)
- No sooner inversion No sooner was he (not he was)
- will have + V3 future perfect will have participated not participate
- did not + base go not went
- Since point For duration since five years->for five years
- Absolutely cannot have comparative superlative absolutely best than->better than or best without than
- I/You/We + base not s/es I reaches->reach
- for + verb -> to + verb or for + V-ing for create->to create/for creating
- has being->has been
- Plural subject are not is girls is->are
- Adverb manner after verb performed terribly not terribly performed
- Generic plural no the I love dogs not the dogs
- Active vs passive you will be broadcast news active will broadcast you do action
- Tense consistency analyse (present) before submitted (past) -> analysed past
- By the time future perfect will have finished not will be finishing
- Phrasal verb fill in for someone vs fill out for

- Subjunctive suggested that she go not goes

****What Must Know:**** 15 error patterns list above with PYQ examples.

****What NOT Know:**** Detailed subjunctive beyond suggested that she go, inversion beyond No sooner, all phrasal verbs beyond fill in for, all comparative beyond absolutely best ? [INSUFFICIENT EVIDENCE] for importance beyond PYQs.

****Trap:**** No error option doubt, Since vs For, Each has vs have, Absolutely best than looks okay but best no than, I reaches s/es wrong, For create, Has being, Girls is, Terribly before verb, The dogs generic vs specific, Will be broadcast vs will broadcast, Analyse vs analysed, Will be finishing vs will have finished

****Fast Counter:**** Each has 2 sec, No sooner was he 2 sec, did not go base 2 sec, since number years->for, absolutely best than check than, I/You base, for verb to verb, has been, plural are, adverb after verb, generic no the, active will broadcast, past before past analysed, By the time will have finished

****10-Second Method:**** Signal pakad Each/Every->has, No sooner->was he, will have->V3 participated, did not->go base, since duration->for, absolutely best than->better than, I reach, for create->to create, has been, girls are, performed terribly, I love dogs no the, will broadcast active, analysed past, will have finished by the time, eliminate No error if found.

****PYQ-Derived Variations:**** [PYQ-DERIVED] Each boys have->has, Since two hours->For two hours, did not goes->go, Absolutely better than->better than, I has->have, For eat->to eat, Has being doing->has been doing, children is->are, quickly ran vs ran quickly vs terribly performed vs performed terribly second correct, I love music generic, news will be broadcast vs They will broadcast news, goes before came tense mismatch, By the time he comes I will finish->will have finished

S2. PREPOSITION DETERMINER ARTICLE FILL BLANK PRONOUN TENSE ? 25 clusters 7/7 papers [OBSERVED] 3-4Q per paper

****Why S:**** 3-4Q per paper, easy, 10-20 sec, high accuracy, factual rule-based.

****Evidence:**** 16 Nov Q61 deals in [OBSERVED], Q62 discussion about [OBSERVED], Q63 presented to show [OBSERVED], Q55 sheep Sheep [OBSERVED], 22 Mar Q58 had baked past perfect before [OBSERVED], Q62 frugal [OBSERVED], Q64 Destruction [OBSERVED], 26 Sep Q55 Many [OBSERVED], Q57 had known third conditional [OBSERVED], Q58 DBCA he kept documents in his bag [OBSERVED], 27 Sep Q57 were [OBSERVED], Q58 has risen present perfect [OBSERVED], Q67 Satisfy [OBSERVED], Q70 An honest [OBSERVED], 30 Mar Q5 quiet silent [OBSERVED], Q9 an hour the work [OBSERVED], Q11 She pronoun [OBSERVED], Q14 beyond [OBSERVED]

****Exact Mechanisms:****

- deal in goods deal with person: He deals in cosmetic goods (goods) vs deal with him (person)
- discussion about topic with person: We had discussion about project (topic) vs discussion with him (person)
- frugal vs miser vs lethargic vs gloomy: frugal positive careful with money budget, miser negative stingy, lethargic lazy, gloomy sad ? budget being frugal
- sheep plural sheep same, not sheeps sheepest
- Past perfect before past: I had baked cake before mother arrived (before + past perfect) vs baked simple past vs have baked present perfect
- Article an + vowel sound hour honest (h silent) an hour an honest vs a hour a honest, the work specific
- Pronoun subject She is reading not Him Her Me object pronoun as subject
- Preposition beyond other side vs through across inside: farm is just through bridge -> beyond (other side)
- Vocab quiet silent vs quite fairly vs quit leave vs quilt bed cover: remain quiet during examination
- Determiner Many countable Many of students vs Much uncountable Much water vs Less vs A little
- Third conditional had known: I would have left if I had known you were not coming (had + past participle known not knew)
- Tense has risen present perfect last decade (recent past) vs had been risen vs rising vs rises
- Verb form Satisfactory -> Satisfy (verb) Satisfying Satisfied Satisfaction
- Court ____ inquiry of: court of inquiry (fixed)
- Walked when child past simple habitual When I was child I walked to school every day vs have walked vs have been walking vs had walked
- Hesitate to apologize to+base to apologize vs apologizing vs apologetic vs apology
- Ran past run not runned runned incorrect

****What Must Know:**** List above with PYQ examples, preposition list deal in discussion about court of, article an hour an honest, pronoun She, tense had baked third conditional had known present perfect has risen, vocab quiet vs quite vs quit vs quilt frugal vs miser, determiner Many vs Much, verb form Satisfy.

****What NOT Know:**** All prepositions list beyond PYQs (only deal in discussion about court of on discount etc), all determiners beyond Many Much, all tense beyond past perfect before past third conditional present perfect ? [INSUFFICIENT EVIDENCE] beyond PYQs.

****Trap:**** deal in vs with vs of vs on trap with person, discussion beneath vs with vs about vs in trap with, frugal vs miser miser negative trap, sheep vs sheeps trap sheeps, had baked vs baked before trap baked simple past

ast but before past perfect needed, an hour vs a hour trap a hour h silent so an, Him is reading vs She trap H
 im object pronoun as subject, an honest vs a honest trap a honest, through vs beyond trap through, quiet vs qu
 ite vs quit vs quilt trap quite fairly, Many vs Much Many countable Much uncountable trap Much, had known vs k
 now vs had knew vs knew trap had knew knew past known participle, court for vs of vs about vs on trap for, wal
 ked vs have walked vs have been walking vs had walked trap have walked, hesitate to apologizing vs apologize v
 s apologetic vs apology trap apologizing, runned vs ran trap runned

****Fast Counter:**** deal in goods yaad, discussion about yaad, frugal positive miser negative, sheep same, befor
 e past perfect had baked, an vowel sound hour honest, Subject pronoun She, beyond other side, quiet silent, Ma
 ny countable, Third conditional had known, court of inquiry, walked past simple habitual, hesitate to + base a
 pologize, ran not runned

****10-Second:**** deal in goods, discussion about, frugal positive careful, sheep same, before past perfect had b
 aked, an hour the work, She subject, an honest, beyond other side, quiet silent, Many countable, had known, co
 urt of, walked, to apologize, ran

****Variations:**** [PYQ-DERIVED] deal with him person, discussion with him about project, an umbrella a universit
 y u vowel but y sound consonant, He is reading vs Him is reading, an hour an heir an honest, remain quiet vs q
 uite good, Many books Much water, If I had known I would have come, court for inquiry? Actually of inquiry cor
 rect, I walked vs I have walked vs I had walked vs I have been walking simple past habitual, hesitate to do vs
 apologize, run ran run

S3. VOICE ACTIVE/PASSIVE ? 10 clusters 6/7 papers [OBSERVED] 2Q per paper

****Why S:**** 2Q per paper, formula-based, 30-40 sec, high accuracy if tense table yaad.

****Evidence:**** 16 Nov Q66 Humayun built->was built [OBSERVED], Q67 Why was letter written->Why did Rupesh write
 [OBSERVED], 22 Mar Q63 Roads have been dug->have dug up roads again [OBSERVED], Q65 Parents will send->He wil
 l be sent [OBSERVED], 25 Sep Q57 Rover would not swallow->would not be swallowed [OBSERVED], Q58 Does Sneha no
 t lick->Is butter not licked [OBSERVED], Q59 Magazine was expecting->were being expected [OBSERVED], 26 Sep Q6
 2 They are playing->is being played [OBSERVED], Q64 Issue has been resolved->has successfully resolved [OBSERV
 ED], 27 Sep Q55 Stranger had intended->had been intended [OBSERVED], Q56 Audience cheered->was loudly cheered
 [OBSERVED], 30 Mar Q3 Book was written->wrote [OBSERVED]

****Exact Mechanisms:****

- Past simple built->was built: Humayun built city -> City was built by Humayun (was+V3)
- Past simple passive was written->did write active: Why was letter written by Rupesh? -> Why did Rupesh write
 letter? (did+base)
- Present perfect have been dug->have dug active: Roads have been dug up again by authorities -> Authorities h
 ave dug up roads again (have+V3)
- Future will send->will be sent passive: Parents will send him -> He will be sent by parents (will be+V3)
- Modal would not swallow->would not be swallowed: Rover would not swallow pill -> Pill would not be swallowed
 by Rover (would be+V3)
- Present simple Does not lick->Is not licked: Does Sneha not lick butter? -> Is butter not licked by Sneha? (
 is+V3)
- Past continuous was expecting->were being expected: Magazine was expecting authors -> Authors were being exp
 ected (were being+V3)
- Present continuous are playing->is being played: They are playing cricket -> Cricket is being played by them
 (is being+V3)
- Present perfect has been resolved->has resolved active: Issue has been resolved by team -> Team has resolved
 issue (has+V3)
- Past perfect had intended->had been intended: Stranger had intended execution -> Execution had been intended
 (had been+V3)
- Past simple cheered->was cheered: Audience cheered speech -> Speech was cheered (was+V3)
- Past simple passive was written->wrote active: Book was written by author -> Author wrote book

****What Must Know:**** Tense table: past simple was+V3, present perfect have been->have dug active have been dug
 passive, future will->will be+V3, modal would->would be+V3, present simple Does->Is+V3, past continuous was ex
 pecting->were being+V3, present continuous are playing->is being+V3, present perfect has been resolved->has re
 solved, past perfect had intended->had been intended, cheered->was cheered, was written->wrote, Why was writte
 n->Why did write did+base

****What NOT Know:**** All tenses beyond those PYQs only past simple present perfect future modal would present co
 ntinuous past continuous past perfect ? [INSUFFICIENT EVIDENCE] beyond.

****Trap:**** was built vs had been built past perfect trap vs was being built continuous trap vs agent swap city
 named Humayun was built by Dinpanah trap, did Rupesh wrote vs write trap did+base write not wrote, are being d
 ug vs have dug continuous vs perfect trap, would be sent vs is to be sent vs would be sent modal change trap,
 would not be swallowing continuous trap vs would not swallowed be missing vs would not be swallow base vs part

inciple trap, Is butter being licked continuous trap vs Is butter not licked simple vs Sneha does not lick active not passive trap Was not licking past continuous trap, were being expected vs will be expected future trap vs was expected simple past trap vs were expected missing being trap, was played past vs has been played perfect vs was being played past continuous trap, successfully resolves present simple vs successfully resolved past simple vs has successfully resolved correct has+V3 trap, could have been intended vs was intended vs was being intended trap, There was loud cheer different structure vs They all cheered loudly active vs Student leader was cheered object change trap, had written vs writes vs The book wrote active but object as subject trap

****Fast Counter:**** built past simple=>was built was+V3, have been dug=>have dug have+V3 active, will send=>will be sent will be+V3, would not swallow=>would not be swallowed would be+V3, Does not lick=>Is not licked is+V3, was expecting=>were being expected were being+V3, are playing=>is being played is being+V3, has been resolved=>has resolved has+V3, had intended=>had been intended had been+V3, cheered=>was cheered was+V3, was written=>wrote past simple active, Why was written=>Why did write did+base
